The board of directors of Hines Global REIT, Inc. (the “Company”) has authorized the Company to declare distributions for the months of October 2013 through December 2013. These distributions will be calculated based on stockholders of record on each day from October 2013 through December 2013 in an amount equal to \$0.0017808 per share, per day. Distributions will be paid on the first business day following the completion of each month to which they relate. Statements in this Current Report on Form 8-K, including intentions, beliefs, expectations or projections relating to the timing and payment of distributions, are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such statements are based on current expectations and assumptions with respect to, among other things, future economic, competitive and market conditions and future business decisions that may prove incorrect or inaccurate. Important factors that could cause actual results to differ materially from those in the forward-looking statements include the risks associated with the Company’s ability to pay distributions to its stockholders and the sources of such distribution payments, the Company’s ability to locate and make suitable investments, and other risks described in the “Risk Factors” section of the Company’s Annual Report on Form 10-K for the year ended December 31, 2012, and its other filings with the Securities and Exchange Commission.
