INTRODUCTION

The accompanying proxy card, delivered or made available to our stockholders together with this proxy statement, is solicited by and on behalf of the board of directors of Hines Global Income Trust, Inc. The mailing address of our principal executive offices is 845 Texas Avenue, Suite 3300, Houston, Texas 77002. We expect to deliver or make this proxy statement and the accompanying proxy card available to our stockholders on or about June 24, 2022. Our 2021 Annual Report to Stockholders was delivered or made available to our stockholders on or about April 29, 2022.

Important Notice Regarding Availability of Proxy Materials

This proxy statement, the form of proxy card, our 2021 Annual Report to Stockholders and our annual report on Form 10-K for the year ended December 31, 2021, are available in the SEC Filings section of our website at www.hinesglobalincometrust.com/sec-filings/.

Stockholders may also obtain a copy of these materials by writing to Hines Global Income Trust, Inc., Attention: A. Gordon Findlay, Chief Accounting Officer, Treasurer and Secretary. Upon payment of a reasonable fee, stockholders may also obtain a copy of the exhibits to our Annual Report on Form 10-K for the year ended December 31, 2021.

INFORMATION ABOUT THE MEETING AND VOTING

What is the date of the annual meeting and where will it be held?

Our 2022 annual meeting of stockholders will be held virtually at www.virtualshareholdermeeting.com/HGIT2022 on September 7, 2022, at 9:00 a.m., local time.

What will I be voting on at the meeting?

At the meeting, you will be asked to:

- elect seven directors for one-year terms expiring at the 2023 annual meeting of stockholders and until their successors are duly elected and qualify;
- ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022; and
- conduct such other business as may properly come before the annual meeting or any postponement or adjournment thereof.

Our board of directors does not know of any matters that may be acted upon at the meeting other than the matters set forth in the bullets listed above.

Who can vote at the meeting?

The record date for the determination of holders of our common stock entitled to notice of and to vote at the meeting, or any adjournment or postponement of the meeting, is the close of business on June 10, 2022. Each holder of our common stock issued and outstanding as of the record date is entitled to vote at the meeting. On the record date, 210.2 million shares of our common stock were issued and outstanding.

Who can attend the meeting?

All holders of our common stock at the close of business on the record date, or their duly appointed proxies, are authorized to attend the annual meeting. Stockholders who wish to participate in the annual meeting may attend by visiting the web portal located at www.virtualshareholdermeeting.com/HGIT2022 and entering the control number found on the proxy card or voting instruction form.

How many votes do I have?

Each share of our common stock has one vote on each matter considered at the meeting or any postponement or adjournment thereof. The enclosed proxy card shows the number of shares of common stock you are entitled to vote.

How can I vote?

You may vote during the virtual meeting or by proxy. Stockholders have the following three options for submitting their votes by proxy:

- via the Internet at <http://www.proxyvote.com/HGIT>;
- by telephone, by calling toll free 1-800-690-6903; or
- by mail, by completing, signing, dating and returning your proxy card in the enclosed envelope.

We encourage you to authorize a proxy to vote your shares via the Internet, a convenient means of voting that also provides cost savings to us. In addition, when you authorize a proxy to vote your shares via the Internet or by phone prior to the meeting date, your vote is recorded immediately and there is no risk that postal delays will cause your vote to arrive late and, therefore, not be counted. For further instructions on voting and the control number required to authorize a proxy to vote your shares via the Internet or by phone, see your proxy card enclosed with this proxy statement.

If your shares of common stock are held in an account by a bank, broker, or other nominee on your behalf, you may receive instructions from your bank, broker, or other nominee describing how to vote your shares. A number of banks and brokerage firms participate in a program that also permits stockholders to direct their vote by the Internet or telephone. This option is separate from that offered by Broadridge Financial Solutions, Inc., the firm we have retained to aid in the solicitation process, and should be reflected on the voting form from a bank or brokerage firm that accompanies this proxy statement. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may direct the voting of these shares by the Internet or telephone by following the instructions on the voting form enclosed with the proxy from the bank or brokerage firm. Directing the voting of your shares will not affect your right to vote virtually at the annual meeting if you decide to attend.

You also may vote your shares at the meeting. If you attend the annual meeting, you may submit your vote via the virtual meeting portal, and any previous votes that you submitted, whether by Internet, phone or mail, will be superseded by the vote that you cast at the annual meeting. To obtain instructions regarding how to attend the meeting and vote via the virtual meeting portal, contact Hines Global Income Trust Investor Relations at (888) 220-6121.

If I plan to attend the virtual annual meeting, should I still vote by proxy?

Yes. Voting in advance does not affect your right to attend the annual meeting virtually. If you vote via telephone or Internet or send in your proxy card and also attend the annual meeting, you do not need to vote again at the annual meeting unless you want to change your vote.

How will proxies be voted?

Shares represented by valid proxies will be voted at the meeting in accordance with the directions given. If the enclosed proxy card is signed and returned without any directions given, the shares will be voted “**for**” the election of the nominees for director named in the proxy, and “**for**” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

Our board of directors does not intend to present, and has no information indicating that others will present, any business at the annual meeting other than as set forth in the attached Notice of Annual Meeting of Stockholders. However, if other matters requiring the vote of our stockholders come before the meeting, it is the intention of the persons named in the accompanying proxy card to vote the proxies held by them in accordance with their discretion on such matters.

How can I change my vote or revoke a proxy?

You have the unconditional right to revoke your proxy at any time prior to the voting thereof by submitting a later-dated proxy (either in the mail, or by telephone or the Internet), by attending the meeting and voting in the virtual meeting portal or by written notice to us addressed to: Hines Global Income Trust, Inc., Attention: A. Gordon Findlay, Chief Accounting Officer, Treasurer and Secretary, 845 Texas Avenue, Suite 3300, Houston, Texas 77002. No written revocation shall be effective, however, unless and until it is received by us at or prior to the meeting.

What are the board’s recommendations?

Our board of directors recommends that you vote “**for**” Proposals 1 and 2.

What vote is required to approve each proposal?

Election of Directors. There is no cumulative voting in the election of our directors. Each director is elected by the affirmative vote of holders of a majority of the shares of our common stock represented virtually or by proxy at the meeting. Any shares not voted (whether by abstention, withholding authority or broker non-vote) will have the effect of votes against the election of nominees to our board of directors.

Ratification of Appointment of Independent Auditors. This proposal requires the affirmative vote of a majority of the votes cast at the meeting. Any shares not voted (whether by abstention, broker non-vote, or otherwise) have no impact on the vote.

What constitutes a “quorum”?

The presence at the meeting, virtually or represented by proxy, of the holders entitled to cast at least 50 percent of all of the votes entitled to be cast at the meeting constitutes a quorum. Abstentions and broker non-votes will be counted as present for the purpose of establishing a quorum; however, abstentions and broker non-votes will not be counted as votes cast.

Will you incur expenses in soliciting proxies?

We will bear all costs associated with soliciting proxies for the meeting. Solicitations may be made on behalf of our board of directors by mail, personal interview, telephone or other electronic means by our officers and other employees of HGIT Advisors LP (our “Advisor”), who will receive no additional compensation. We have retained Broadridge Financial Solutions, Inc., to aid in the solicitation of proxies. We will pay Broadridge Financial Solutions, Inc., a fee of approximately \$5,000 in addition to variable costs related to the solicitation of proxies as well as reimbursement of its out-of-pocket expenses. We will request that banks, brokers, custodians, nominees, fiduciaries and other record holders forward copies of the proxy materials to people on whose behalf they hold shares of common stock and request authority for the exercise of proxies by the record holders on behalf of those people, if necessary. In compliance with the regulations of the Securities and Exchange Commission (the “SEC”), we will reimburse such persons for reasonable expenses incurred by them in forwarding proxy materials to the beneficial owners of our common stock.

What does it mean if I receive more than one proxy card?

Some of your shares may be registered differently or held in different accounts. You should authorize a proxy to vote the shares held in each of your accounts by telephone, the Internet or mail. If you mail proxy cards, please sign, date and return each proxy card to guarantee that all of your shares are voted. If you hold your shares in registered form and wish to combine your stockholder accounts in the future, you should contact Hines Global Income Trust Investor Relations at 845 Texas Avenue, Suite 3300, Houston, Texas 77002 or call us at (888) 220-6121. Combining accounts reduces excess printing and mailing costs, resulting in cost savings to us that benefit you as a stockholder.

What if I receive only one set of proxy materials although there are multiple stockholders at my address?

The SEC has adopted a rule concerning the delivery of documents filed by us with the SEC, including proxy statements and annual reports to stockholders. The rule allows us to, with the consent of affected stockholders, send a single set of any annual report, proxy statement, proxy statement combined with a prospectus or information statement to any household at which two or more stockholders reside if they share the same last name or we reasonably believe they are members of the same family. This procedure is referred to as “Householding.” This rule benefits both you and us. It reduces the volume of duplicate information received at your household and helps us reduce expenses. Each stockholder subject to Householding will continue to receive a separate proxy card or voting instruction card.

We will promptly deliver, upon written or oral request, a separate copy of our annual report or proxy statement, as applicable, to a stockholder at a shared address to which a single copy was previously delivered. If you received a single set of disclosure documents for this year, but you would prefer to receive your own copy, you may direct requests for separate copies to Hines Global Income Trust Investor Relations at 845 Texas Avenue, Suite 3300, Houston, Texas 77002 or call us at (888) 220-6121. Likewise, if your household currently receives multiple copies of disclosure documents and you would like to receive one set, please contact Hines Global Income Trust Investor Relations.

How do I submit a stockholder proposal for next year’s annual meeting or proxy materials, and what is the deadline for submitting a proposal?

Pursuant to our bylaws, in order for a stockholder proposal to be properly submitted for presentation at our 2023 annual meeting, we must receive written notice of the proposal at our executive offices during the period beginning on January 25, 2023 and ending at 5:00 p.m., Central Time, on February 24, 2023. In accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), if you wish to present a proposal for inclusion in the proxy material for next year’s annual meeting, we must receive written notice of your proposal at our executive offices no later than February 24, 2023. All proposals must contain the information specified in, and otherwise comply with, our bylaws. Proposals should be sent via registered, certified or express mail to: Hines Global Income Trust, Inc., 845 Texas Avenue, Suite 3300, Houston, Texas 77002, Attention: A. Gordon Findlay, Chief Accounting Officer, Treasurer and Secretary. For additional information, see the section in this proxy statement captioned “Stockholder Proposals for the 2023 Annual Meeting.”

PROPOSAL ONE: ELECTION OF DIRECTORS

General

Our board of directors ultimately is responsible for the management and control of our business and operations. We have no employees and have retained our Advisor to manage our day-to-day operations, including the acquisition of our properties. The Advisor is an affiliate of our sponsor, Hines Interests Limited Partnership (“Hines”). Our board of directors, especially our independent directors, is responsible for monitoring and supervising our Advisor’s conduct of our day-to-day operations.

Our charter (the “Charter”) and bylaws provide for a board of directors with no fewer than three and no more than fifteen directors, a majority of whom must be independent. An “independent director” is defined under our Charter and means a person who is not, and within the last two years has not been, directly or indirectly associated with Hines or our Advisor by virtue of:

- ownership of an interest in Hines, our Advisor or their affiliates, other than the Company or any affiliate with securities registered under the Exchange Act;
- employment by (or service as an officer, trust manager or director of) Hines, our Advisor or their affiliates, other than service as a director for us or any affiliate with securities registered under the Exchange Act;
- performance of services, other than as a director, for us or any affiliate with securities registered under the Exchange Act;
- service as a director, trust manager or trustee of more than three real estate investment trusts advised by our Advisor or organized by Hines; or
- maintenance of a material business or professional relationship with Hines, our Advisor or any of their affiliates.

An independent director cannot be associated with us, Hines or our Advisor, either directly or indirectly, as set forth above. An indirect relationship includes circumstances in which a director’s spouse, parents, children, siblings, mothers- or fathers-in-law, sons- or daughters-in-law or brothers- or sisters-in-law, is or has been associated with us, Hines, our Advisor, or their affiliates.

A business or professional relationship is considered material if the gross revenue derived by the director from our Advisor or Hines and their affiliates exceeds five percent of either the director’s annual gross revenue during either of the last two years or the director’s net worth on a fair market value basis.

In addition, our independent directors must meet the independence requirements specified below under “Corporate Governance.”

We currently have seven directors, four of whom are independent. Generally, directors are elected annually by our stockholders, and there is no limit on the number of times a director may be elected to office. Each director serves until the next annual meeting of stockholders and (if longer) until his or her successor has been duly elected and qualifies.

During 2021, our board of directors held 34 meetings, including board committee meetings. No director attended fewer than 75% of the aggregate of all meetings held during 2021 by our board of directors and by board committees, except for Humberto “Burt” Cabañas, who attended 73.5% of the aggregate of all meetings held during 2021. Each director then serving attended our 2021 annual meeting of stockholders. We anticipate that all of our directors will virtually attend our 2022 annual meeting of stockholders.

Nominees for our Board of Directors

The proxy holders named on the proxy card intend to vote for the election of the seven nominees listed below. Our board of directors has selected these nominees on the recommendation of the board’s Nominating and Corporate Governance Committee. If you do not wish your shares to be voted for particular nominees, please identify the exceptions in the designated space provided on the proxy card or, if you are voting by telephone or the Internet, follow the instructions provided when you vote. Directors will be elected by the affirmative vote of holders of a majority of the shares of our common stock represented

virtually or by proxy at the meeting. Any shares not voted by abstention, withholding authority, or broker non-vote will have the effect of votes against the election of nominees to our board of directors.

If, by the time of the meeting, one or more of the nominees should become unable to serve for any reason, shares represented by proxies will be voted for the remaining nominees and for any substitute nominee or nominees designated by the Nominating and Corporate Governance Committee. No proxy will be voted for a greater number of persons than the number of nominees described in this proxy statement.

Our board of directors unanimously recommends a vote “FOR” each of the nominees listed below.

The following individuals are the seven nominees for our board of directors:

CORPORATE GOVERNANCE

The five standing committees of our board of directors are: the Audit Committee, the Conflicts Committee, the Nominating and Corporate Governance Committee, the Compensation Committee and the Valuation Committee. You may obtain copies of the charters for the Audit Committee, the Conflicts Committee, the Nominating and Corporate Governance Committee, and the Compensation Committee from our website at www.hinesglobalincometrust.com/governance/. Each committee has four members and is composed entirely of our four independent directors. Currently, Mr. Cabañas serves as chairman of the Conflicts Committee and Valuation Committee, Mr. Niemann serves as chairman of the Audit Committee, and Mr. Cameron serves as chairman of the Compensation Committee. Mr. Cameron also served as chair of the Nominating and Corporate Governance Committee until May 12, 2022. Effective May 13, 2022, with the approval of the board of directors, Dr. Simmons was appointed to serve as chair of the Nominating and Corporate Governance Committee. Mr. Niemann also serves as the Lead Independent Director.

Our board of directors has determined that each of our independent directors is independent within the meaning of the applicable (i) provisions set forth in our Charter, and (ii) requirements set forth in the Exchange Act and the applicable SEC rules, and (iii) although our shares are not listed on the New York Stock Exchange (the “NYSE”), under the independence rules set forth in the NYSE Listed Company Manual. Our board of directors follows the NYSE rules governing independence as part of its policy of maintaining strong corporate governance practices. To be considered independent under the NYSE rules, our board of directors must determine that a director does not have a material relationship with us and/or our consolidated subsidiaries (either directly or as a partner, stockholder or officer of an organization that has a relationship with any of those entities, including Hines and its affiliates). Under the NYSE rules, a director will not be independent if:

- the director was employed by us within the last three years;
- an immediate family member of the director was employed by us as an executive officer within the last three years;
- the director, or an immediate family member of the director, received more than \$120,000 during any 12-month period within the last three years in direct compensation from us, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- the director is a current partner or employee of a firm that is our internal or external auditor, the director has an immediate family member who is a current partner of such a firm, the director has an immediate family member who is a current employee of such a firm and personally works on our audit, or the director or an immediate family member was within the last three years a partner or employee of such a firm and personally worked on our audit within that time;
- the director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of our present executive officers at the same time serves or served on that company’s compensation committee; or
- the director was an executive officer or an employee (or an immediate family member of the director was an executive officer) of a company that makes payments to, or receives payments from, us for property or services in an amount which, in any of the last three fiscal years, exceeded the greater of \$1,000,000 or 2% of such other company’s consolidated gross revenues.

Interested parties may communicate matters they wish to raise with the directors by writing to Hines Global Income Trust, Inc., 845 Texas Avenue, Suite 3300, Houston, Texas 77002, Attention: A. Gordon Findlay, Chief Accounting Officer, Treasurer and Secretary. Mr. Findlay will deliver all appropriate communications to the Nominating and Corporate Governance Committee of our board of directors, which will, in its discretion, deliver such communications (together with any recommendations) to our board of directors no later than the next regularly scheduled meeting of the board of directors.

Audit Committee

The Audit Committee, in performing its duties:

- oversees the integrity of our financial statements and other financial information to be provided to our stockholders;
- directly appoints, retains, compensates, evaluates and terminates the independent auditors;

- reviews with the independent auditors the plans and results of the audit engagement;
- approves professional services provided by our principal independent registered public accounting firm;
- reviews the independence, performance and qualifications of our principal independent registered public accounting firm;
- considers and approves the range of audit and non-audit fees;
- reviews the adequacy of our systems of disclosure controls and internal controls over financial reporting; and
- oversees our compliance with legal and regulatory requirements.

Our board of directors has determined that each member of our Audit Committee is independent within the meaning of the applicable provisions of our Charter, the applicable requirements set forth in or promulgated under the Exchange Act, as well as in the NYSE rules. In addition, our board of directors has determined that John O. Niemann, Jr. is an “audit committee financial expert” within the meaning of the applicable rules promulgated by the SEC. Unless otherwise determined by our board of directors, no member of the committee may serve as a member of the Audit Committee of more than two other public companies. During 2021, the Audit Committee held five meetings.

The Audit Committee’s report on our financial statements for the fiscal year ended December 31, 2021 is presented below under the heading “Audit Committee Report.”

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, in performing its duties:

- assists our board of directors in identifying individuals qualified to become members of our board of directors;
- recommends candidates to our board of directors to fill vacancies on the board and to stand for election by the stockholders at the annual meeting;
- recommends committee assignments for directors to the full board;
- periodically assesses the performance of our board of directors;
- reviews and recommends appropriate corporate governance policies and procedures to our board of directors; and
- reviews and reassesses the adequacy of and compliance with our Code of Business Conduct and Ethics for Senior Officers and Directors and recommends any proposed modifications to our board of directors for approval.

Our board of directors has determined that each member of our Nominating and Corporate Governance Committee is independent within the meaning of the applicable provisions of our Charter, the applicable requirements set forth in or promulgated under the Exchange Act, as well as in the NYSE rules.

Among the criteria the committee uses in evaluating the suitability of individual nominees for our board (whether such nominations are made by management, a stockholder or otherwise), the committee considers each nominee’s:

- personal and professional integrity, experience and skills;
- ability and willingness to devote the time and effort necessary to be an effective board member; and
- commitment to acting in our best interests and the best interests of our stockholders.

The committee also gives consideration to the diversity of our board of directors in terms of having an appropriate mix of experience, education and skills, to the requirements contained in our Charter and to each nominee’s ability to exercise independence of thought, objective perspective and mature judgment and to understand our business operations and objectives. Moreover, as required by our Charter, a director other than an independent director must have at least three years of relevant

experience demonstrating the knowledge and experience required to successfully acquire and manage the type of assets we acquire, and at least one of our independent directors must have at least three years of relevant real estate experience.

If our board of directors determines to seek additional directors for nomination, the Nominating and Corporate Governance Committee considers whether it is advisable to retain a third-party search firm to identify candidates. During 2021, the committee paid no fees to third parties to assist in identifying or evaluating potential nominees. The Nominating and Corporate Governance Committee also considers nominees timely submitted by stockholders under and in accordance with the provisions of our bylaws (see “Stockholder Proposals for the 2023 Annual Meeting” below). A stockholder’s notice must set forth specified information as to each person whom the stockholder proposes to nominate for election to the board, including all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, by Regulation 14A under the Exchange Act (including such person’s written consent to being named in the proxy statement as a nominee and to serve as a director if elected). The Nominating and Corporate Governance Committee will consider all such nominees and will take into account all factors the committee determines are relevant, including the factors summarized above. During 2021, the Nominating and Corporate Governance Committee held four meetings.

Conflicts Committee

The Conflicts Committee reviews and approves specific matters that our board of directors believes may involve conflicts of interest to determine whether the resolution of the conflict of interest is fair and reasonable to us and our stockholders. The Conflicts Committee is responsible for reviewing and approving the terms of all transactions between us and Hines or its affiliates or any member of our board of directors, including (when applicable) the economic, structural and other terms of all acquisitions and dispositions and the annual renewal of the advisory agreement (the “Advisory Agreement”) between us, HGIT Properties LP (the “Operating Partnership”) and our Advisor. The Conflicts Committee is also responsible for reviewing and approving each purchase or lease by us of property from an affiliate or purchase or lease by an affiliate from us. The Conflicts Committee is responsible for reviewing our Advisor’s performance and the fees and expenses paid by us to our Advisor and any of its affiliates. The review of such fees and expenses is required to be performed with sufficient frequency, but at least annually, to determine that the expenses incurred are in the best interest of our stockholders. The Conflicts Committee is also responsible for reviewing Hines’ performance as property manager of our directly owned properties.

During 2021, the Conflicts Committee held six meetings. The Conflicts Committee has reviewed our policies and has determined that they are being followed by us and are in the best interests of our stockholders. Please read “Certain Relationships and Related Transactions - Policies and Procedures for Review of Related Party Transactions.” The Conflicts Committee reviewed each of the material transactions between Hines and its affiliates and the Company, which occurred during 2021. These transactions are described in “Certain Relationships and Related Transactions” below. The Conflicts Committee has determined that all our transactions and relationships with Hines and its affiliates during 2021 were fair and were approved in accordance with the policies referenced in “Certain Relationship and Related Transactions” below.

Compensation Committee

The Compensation Committee’s primary purpose is to oversee our compensation programs. The committee reviews and approves or recommends to our board of directors the compensation and benefits for our independent directors. We do not pay our non-independent directors for their service as directors. In the event we hire employees, our Compensation Committee will review and approve the compensation for our executive officers, as well as any employment, severance and termination agreements or arrangements made with any executive officer. We have not retained any independent compensation consultants.

The Compensation Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, provided that the decision of such subcommittee shall be presented to the full Compensation Committee at its next meeting. During 2021, the Compensation Committee held three meetings.

Valuation Committee

The Valuation Committee is responsible for the oversight of the process for the periodic valuation of our common stock, subject to the final approval of our board of directors. The Valuation Committee oversees the engagement of one or more independent valuation firms for purposes of performing an independent valuation consistent with the valuation policy adopted by our board of directors. The Valuation Committee reviews the report and other information provided by the independent valuation firm or firms and makes a recommendation to our board of directors as to the estimated net asset value, or NAV, of our common stock. During 2021, the Valuation Committee held six meetings.

Code of Business Conduct and Ethics

Our board of directors has adopted a Code of Business Conduct and Ethics, which is applicable to our directors and officers, including our principal executive officer, principal financial officer, principal accounting officer or controller and other persons performing similar functions, whether acting in their capacities as our officers or in their capacities as officers of our Advisor or its general partner. The Code of Business Conduct and Ethics covers topics including conflicts of interest, confidentiality of information, full and fair disclosure, reporting of violations and compliance with laws and regulations. Our Code of Business Conduct and Ethics is available, free of charge, on the Corporate Governance section of our website, www.hinesglobalincometrust.com/governance/. You may also obtain a copy of this code by writing to: Hines Global Income Trust Investor Relations, 845 Texas Avenue, Suite 3300, Houston, Texas 77002. Waivers from our Code of Business Conduct and Ethics are discouraged, but any waivers from the Code of Business Conduct and Ethics that relate to any executive officer or director must be approved by our Nominating and Corporate Governance Committee and will be posted on our website at www.hinesglobalincometrust.com/governance/ within four business days of any such waiver.

Compensation Committee Interlocks and Insider Participation

During 2021, our Compensation Committee consisted of Messrs. Cabañas, Cameron and Niemann and Dr. Simmons, all of whom are independent directors. None of our executive officers served as a director or member of the compensation committee of an entity whose executive officers included a member of our board of directors or Compensation Committee.

Board Leadership Structure and Role in Risk Oversight

Our board of directors is structured in a manner that it believes allows it to exercise independent oversight and function effectively. As noted above, a majority of our directors are independent, as defined in our Charter and the applicable rules of the NYSE. Currently, Mr. Hines serves as both our CEO and Chairman of our board of directors. Our board of directors has determined that the use of the lead independent director, as described below, along with the combined Chairman and CEO positions, is an appropriate and effective leadership structure for the Company. Mr. Hines has been the Chairman of our board of directors since inception and has more than 40 years in the commercial real estate industry and a deep knowledge of Hines and its affiliates. As the individual primarily responsible for overall management of our business strategy and day-to-day operations, he is positioned to effectively chair regular board of directors meetings at which the directors will discuss key business and strategic issues.

In addition, each of the committees of our board of directors described above is composed entirely of our four independent directors. Each of these independent committees meets with and reviews material from management and reports its conclusions and recommendations to our board of directors, enabling the full board of directors to effectively perform its risk oversight responsibilities. Further, at regularly scheduled meetings, our board of directors reviews matters relating to the Company's investment activity, leverage, liquidity, operations, conflicts of interest, internal controls, legal and regulatory compliance, and risks that arise from time to time, such as the risks related to the ongoing conflict between Russia and the Ukraine. With respect to cybersecurity risk oversight, our board of directors and/or the Audit Committee receive reports and/or updates from management no less than annually on the primary cybersecurity risks facing the Company, Hines and our Advisor and the measures the Company, Hines and our Advisor are taking to mitigate such risks. In addition to such reports, our board of directors and/or the Audit Committee receive updates from management and our Advisor as to changes to the Company's, Hines' and our Advisor's cybersecurity risk profile or certain newly identified risks.

Lead Independent Director

Our board of directors believes that it has adopted a governance structure that ensures a strong, independent board. The position of lead independent director has been established to further strengthen the role of independent directors in board leadership. Our independent directors have appointed Mr. Niemann to serve as our lead independent director. Our lead independent director will, among other things:

- preside at all meetings of our board of directors at which the Chairman is not present;
- schedule meetings of the independent directors from time to time, as he deems necessary or appropriate;
- preside at executive sessions of the independent directors;
- serve as a liaison between the Chairman and the independent directors;
- bring to the attention of the Chairman any additional issues for the board's attention and consideration after reviewing the agenda and schedule provided to the board of directors;
- assure there is sufficient time for discussion of all agenda items at each board meeting; and

- review the information and materials sent to our board of directors, and provide input as to the quality, quantity and timeliness of the information submitted by our management that is necessary or appropriate for the independent directors to effectively and responsibly perform their duties.

As described above, our board of directors has determined that four of the seven members of our board of directors are “independent” within the meaning of the applicable provisions of our Charter, the applicable requirements set forth in or promulgated under the Exchange Act, as well as in the NYSE rules, and each of our committees is comprised entirely of our independent directors. Each committee is given significant responsibility to oversee our governance policies and procedures and remains actively involved in the oversight of risk management and assessment. Our board of directors receives periodic presentations from our executive officers regarding our compliance with our corporate governance practices. While our board of directors maintains oversight responsibility, management is responsible for our day-to-day risk management processes. Our board of directors believes this division of responsibility is the most effective approach for addressing the risks we face.

Officer and Director Hedging

Our board of directors has not adopted, and we do not have, any specific practices or policies regarding the ability of our officers and directors, as well as employees of our Advisor, Hines, and their affiliates, or any of their designees, to purchase financial instruments (including prepaid variable forward contracts, equity swaps, collars and exchange funds), or otherwise engage in transactions, that hedge or offset, or are designed to hedge or offset, any decrease in the market value of shares of our common stock. Our common stock is not traded on any exchange, so there is no established market value for shares of our common stock. For the year ended December 31, 2021, there were no such hedging transactions by any of our officers and directors or by any employees of our Advisor, Hines, and their affiliates, or any of their designees.

DIRECTOR COMPENSATION

Our Compensation Committee designs our director compensation with the goals of attracting and retaining highly qualified individuals to serve as independent directors and to fairly compensate them for their time and efforts. Because of our unique attributes as an externally-managed REIT, service as an independent director on our board requires a substantial time commitment. The Compensation Committee balances these considerations with the principles that our independent director compensation program should be transparent and, in part, should align directors' interests with those of our stockholders.

The following table sets forth information regarding compensation of our directors during 2021.

EXECUTIVE COMPENSATION

We have no employees. Our day-to-day management functions are performed by our Advisor and its affiliates. All of our executive officers are employed by and receive compensation from our Advisor or its affiliates, for all of their services to the Hines organization, including their service as our executive officers. The compensation received by our executive officers is not paid or determined by us, but rather by our Advisor or affiliates of our Advisor based on all the services provided by these individuals to the Hines organization, including us. As a result, we do not have and our compensation committee has not considered, a compensation policy or program for our executive officers and have not included a “Compensation Discussion and Analysis,” or “Compensation Committee Report” in this proxy statement. See “Certain Relationships and Related Transactions” below for a discussion of fees and expenses payable to our Advisor and its affiliates.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Advisor

We do not have employees. Subject to the supervision of our board of directors, our day-to-day operations are conducted by our Advisor in accordance with the Advisory Agreement. Our Advisor is an affiliate of Hines and is wholly-owned, indirectly, by, or for the benefit of, our CEO and the Chairman of our board of directors, Jeffrey C. Hines. All of our executive officers are employed by, and all of our executive officers actively participate in, the management of our Advisor and its affiliates.

Our executive officers have control and primary responsibility for the management decisions of our Advisor, including the acquisition and disposition of investment properties recommended to our board of directors, the negotiations for these transactions, and oversight of the property management and leasing of properties we own. In December 2021, the Company's board of directors, including the independent directors, approved the renewal of the Advisory Agreement for an additional one-year term, extending the termination date of the agreement from December 31, 2021 to December 31, 2022. Renewals of the agreement must be approved by the Conflicts Committee. The Advisory Agreement may be terminated:

- immediately by us (i) in the event our Advisor commits fraud, criminal conduct, willful misconduct or negligent breach of fiduciary duty, (ii) upon the bankruptcy of our Advisor or its involvement in similar insolvency proceedings or (iii) in the event of a material breach of the Advisory Agreement by our Advisor that remains uncured after 10 days' written notice;
- without cause or penalty by us or by our Advisor upon 60 days' written notice; or
- immediately by our Advisor upon our bankruptcy or involvement in similar insolvency proceedings or any material breach of the Advisory Agreement by us that remains uncured after 10 days' written notice.

Our Advisor and its affiliates receive compensation and are reimbursed for certain expenses in connection with services provided to us. These payments are summarized below. In the event the Advisory Agreement is terminated, our Advisor will be paid all earned, accrued and unpaid compensation and expense reimbursements within 30 days. Upon termination, we may also be obligated to purchase certain ownership interests in the Operating Partnership owned by our Advisor or other affiliates of Hines under certain circumstances.

The following summarizes the fees payable to our Advisor:

- In December 2017, our Advisor agreed to advance all of our organization and offering costs related to our second public offering that were incurred through December 31, 2018 and agreed to be repaid ratably in monthly payments from January 2019 through December 2023. In January 2019, we began reimbursing our Advisor for all such advanced costs as well as any organization and offering costs that it incurs on our behalf after December 31, 2018 as and when incurred. However, these reimbursements to our Advisor for cumulative organization and offering costs may not exceed an amount equal to 2.5% of the gross offering proceeds from our public offerings. Additionally, the total reimbursement related to organization and offering costs, selling commissions, dealer manager fees and the distribution and stockholder servicing fees related to a particular public offering may not exceed 15.0% of gross proceeds from the offering. For the year ended December 31, 2021, we reimbursed the Advisor \$6.7 million in organization and offering costs.
- Our Advisor also receives asset management fees of 0.0625% per month of the cost of our real estate investments at the end of each month; provided that, with respect to real estate investments included in the most recent determination of our NAV per share, the asset management fees will be equal to 0.0625% per month of the most recently determined value of such real estate investments at the end of each month. The asset management fee cannot exceed an amount equal to 1/12th of 1.25% of our NAV at the end of each applicable month. Additionally, the asset management fee can be paid, at our Advisor's election, in cash, Class I shares or Class I OP Units in the Operating Partnership. Our Advisor earned \$16.4 million in asset management fees during the year ended December 31, 2021.
- We will reimburse our Advisor for all expenses paid or incurred by our Advisor in connection with the services provided to us, subject to the limitation that we will not reimburse our Advisor for any amount by which our operating expenses (including the asset management fee and the performance participation allocation) at the end of the four preceding fiscal quarters exceeds the greater of: (A) 2.0% of our average invested assets, or (B) 25.0% of our net income determined without reduction for any additions to reserves for depreciation, bad debts or other similar non-

cash reserves and excluding any gain from the sale of our assets for that period (the “2%/25% Limitation”). Our total operating expenses exceeded the 2%/25% Limitation as of the four fiscal quarters ended December 31, 2021. All of our independent directors determined that the excess expenses were justified based upon a review of unusual and non-recurring factors, including but not limited to outsized performance during this period resulting in an increased performance participation allocation expense. In 2021, our Advisor incurred \$4.0 million in expenses, such as general and administrative expenses, on our behalf, which were reimbursed by us. See “Hines – Property Management and Leasing Agreements” below for additional information concerning expense reimbursements to Hines.

We also agreed to indemnify our Advisor against losses it incurs in connection with its performance of its obligations under the Advisory Agreement, subject to terms and conditions in the Advisory Agreement.

Through its ownership of the Special OP Units of the Operating Partnership, our Advisor also holds a performance participation interest in the Operating Partnership that entitles it to receive an allocation of the Operating Partnership’s total return to its capital account. Total return is defined as distributions paid or accrued plus the change in NAV for the applicable period. Under the limited partnership agreement of the Operating Partnership, the annual total return will be allocated solely to our Advisor after the other unit holders have received a total return of 5% (after recouping any loss carryforward amount) and such allocation will continue until the allocation between our Advisor and all other unit holders is equal to 12.5% and 87.5% respectively. Thereafter, our Advisor will receive an allocation of 12.5% of the annual total return. The allocation of the performance participation interest is ultimately determined at the end of each calendar year, so long as the Advisory Agreement has not been terminated, and will be paid in cash or Class I OP Units of the Operating Partnership, at the election of our Advisor. For the year ended December 31, 2021, our Advisor earned a performance participation allocation of \$24.8 million which was paid in February 2022.

The Dealer Manager

The table below summarizes the fees payable to the Dealer Manager effective as of December 6, 2017, the effective date of the Restructuring, with respect to the sale of Follow-on Offering shares. The upfront selling commissions and dealer manager fees are each a percentage of the gross offering proceeds of the shares sold in the primary offering. No upfront selling commissions or dealer manager fees are payable with respect to shares issued under our distribution reinvestment plan.

	Class T Shares ⁽¹⁾	Class S Shares ⁽¹⁾	Class D Shares	Class I Shares
Upfront Selling Commission and Dealer Manager Fee	3.5%	3.5%	None	None
Ongoing Distribution and Stockholder Servicing Fees (as a percentage of the aggregate NAV of the outstanding shares of each class of common stock)	1.0%	0.85%	0.25%	None

- (1) With respect to Class T shares, there is a maximum upfront sales load of up to 3.5% of the gross offering proceeds from the sale of such shares in the primary offering, consisting of any combination of selling commissions and dealer manager fees. With respect to Class S shares, the upfront sales load of up to 3.5% of the gross proceeds from the sale of such shares in the primary offering consists solely of selling commissions. Prior to August 20, 2021, the distribution and stockholder servicing fee was paid at a rate of 1.0% of NAV per annum with respect to Class S shares.

During the year ended December 31, 2021:

- the Dealer Manager earned approximately \$0.7 million in dealer manager fees, which excludes the amount paid to the Dealer Manager by our Advisor, a portion of which the Dealer Manager re-allowed to participating broker dealers;
- the Dealer Manager earned approximately \$4.2 million in selling commissions, all of which the Dealer Manager re-allowed to participating broker dealers; and
- the Dealer Manager earned approximately \$6.3 million in distribution and stockholder servicing fees, all of which the Dealer Manager re-allowed to participating broker dealers.

Hines

Property Management and Leasing Agreements

Hines or its affiliates manage the properties in which we invest. When we acquire properties directly, we expect that we will pay Hines property management fees, leasing fees, tenant construction fees and other fees customarily paid to a property manager. Hines is wholly-owned by Jeffrey C. Hines.

During the year ended December 31, 2021, Hines earned the following approximate amounts pursuant to property management agreements under which Hines manages some of our properties:

- \$3.2 million in property management fees;
- \$1.8 million in leasing commissions and construction management fees; and
- \$8.5 million for all costs Hines incurred in providing property management and leasing services pursuant to the property management and leasing agreements. Included in this reimbursement of operating costs are the cost of personnel and overhead expenses related to such personnel located at the property as well as off-site personnel located in Hines' headquarters and regional offices, to the extent the same relate to or support the performance of Hines' duties under the agreements.

Credit Facility with Hines

On December 15, 2014, we entered into a credit facility with Hines, as amended (the “Hines Credit Facility”), with a maximum principal amount of \$75.0 million. We paid off the outstanding balance under the Hines Credit Facility in April 2020, and have not had any amounts outstanding under this facility since that time.

Interest on each advance under the Hines Credit Facility is charged monthly at a variable rate, which is the greater of (i) Hines’ then-current borrowing rate under its revolving credit facility or (ii) the rate under the Operating Partnership’s revolving credit facility with JPMorgan Chase Bank, N.A. (the “JPMorgan Revolving Credit Facility”). Each advance under the Hines Credit Facility must be repaid within six months, subject to 1 six-month extension at the option of the Operating Partnership and subject to the satisfaction of certain conditions. Effective as of December 20, 2021, the Hines Credit Facility will terminate on the earlier of (a) the termination of the availability period as determined by Hines at its discretion (which will not impact the maturity date of any outstanding or previously approved advance under the loan agreement); (b) December 31, 2022; and (c) the date Hines accelerates the repayment of the loan agreement pursuant to any event of default. The Hines Credit Facility permits voluntary prepayment of principal and accrued interest.

The Hines Credit Facility requires the maintenance of certain financial covenants, which includes covenants concerning indebtedness to total asset value. In addition, the Hines Credit Facility contains customary affirmative and negative covenants, which, among other things, prohibit us and the Operating Partnership from: (i) merging with other companies or changing ownership interest; (ii) selling all or substantially all of our assets or properties; and (iii) if in default under the loan agreement, paying distributions to our stockholders other than as required to maintain our status as a real estate investment trust. The Hines Credit Facility also requires us to deliver to Hines certain quarterly and annual financial information.

Ownership Interests

The Operating Partnership

On July 31, 2013, we formed the Operating Partnership. Hines Global REIT II Associates Limited Partnership made an initial investment of \$190,000 in limited partnership interests of the Operating Partnership and owned less than a 0.1% limited partnership interest in the Operating Partnership as of June 1, 2022. Our Advisor owns the Special OP Units in the Operating Partnership, as described above in Certain Relationships and Related Transactions.

Policies and Procedures for Review of Related Party Transactions

Potential conflicts of interest exist among us, Hines, our Advisor and other affiliates of Hines in relation to our existing agreements and how we will operate. Currently, four of our seven directors are independent directors, and each of our independent directors serve on the Conflicts Committee of our board of directors. The Conflicts Committee reviews and approves all matters that our board of directors believes may involve conflicts of interest.

In order to reduce the effect of certain potential conflicts of interest, our Charter contains a number of restrictions relating to transactions we enter into with Hines, our Advisor, any of our directors and their respective affiliates. These restrictions include, among others, the following:

- Except as otherwise permitted in our Charter, we will not engage in transactions with Hines, our Advisor, any of our directors or their respective affiliates unless a majority of our directors, including a majority of our independent directors, not otherwise interested in the transaction approve such transactions as fair and reasonable to us and on terms and conditions not less favorable to us than those available from unaffiliated third parties.
- We will not purchase a property from Hines, our Advisor, any of our directors or their respective affiliates without a determination by a majority of our directors, including a majority of our independent directors, not otherwise interested in the transaction that the transaction is fair and reasonable to us and at a price no greater than the cost of the property to Hines, our Advisor, any of our directors or their respective affiliates, unless there is substantial justification for any amount that exceeds such cost and such excess amount is determined to be reasonable. In all cases where assets are acquired from Hines, our Advisor, any of our directors or their respective affiliates, the fair market value of such assets will be determined by an independent expert selected by our independent directors. In no event will we acquire any property from Hines, our Advisor, any of our directors or their respective affiliates at a price that exceeds the appraised value of the property; provided that in the case of a development, redevelopment or refurbishment project that we agree to acquire prior to completion of the project, the appraised value will be based upon the completed value of the project as determined at the time the agreement to purchase the property is entered into. We will not sell or lease a property to Hines, our Advisor, any of our directors or their respective affiliates unless a majority of our directors, including a majority of the independent directors, not otherwise interested in the transaction determine the transaction is fair and reasonable to us. Even following these procedures, Hines and its affiliates (including our officers and directors) may make substantial profits in connection with the acquisition or sale of properties from other investment vehicles sponsored by Hines, our Advisor, any of our directors or their respective affiliates.
- We will not enter into joint ventures with Hines, our Advisor, any of our directors or their respective affiliates, unless a majority of our directors, including a majority of our independent directors, not otherwise interested in the transaction approves such transaction as being fair and reasonable to us and determines that our investment is on terms substantially similar to the terms of third parties making comparable investments.
- We will not make any loan to Hines, our Advisor, any of our directors or their respective affiliates except in the case of loans to our wholly owned subsidiaries and loans in which an independent expert has appraised the underlying asset. Any loans to us by Hines, our Advisor, any of our directors or their respective affiliates must be approved by a majority of our directors, including a majority of the independent directors, not otherwise interested in the transaction as fair, competitive and commercially reasonable, and on terms no less favorable to us than loans between unaffiliated parties under the same circumstances.

**PROPOSAL TWO:
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Relationship with Independent Registered Public Accounting Firm

Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively “Deloitte & Touche”) serve as our principal accounting firm. Deloitte & Touche audited our financial statements for the years ended December 31, 2021 and 2020. Deloitte & Touche reports directly to our Audit Committee.

Deloitte & Touche acted as our independent registered public accounting firm to audit our books and records for the fiscal year ended December 31, 2021, and the Audit Committee has appointed Deloitte & Touche as our independent registered public accounting firm for the fiscal year ending December 31, 2022. Ratification of the appointment of auditors requires a majority of the votes cast. Any shares not voted, by abstention, broker non-vote or by not submitting a proxy, have no impact on the vote.

Our board of directors unanimously recommends a vote “FOR” ratification of the appointment by our Audit Committee of Deloitte & Touche as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

Although not required by law or our governance documents, we believe ratification of this appointment is good corporate practice because the audit of our books and records is a matter of importance to our stockholders. If our stockholders do not ratify the appointment, our Audit Committee will reconsider the appointment of Deloitte & Touche, but still may elect to retain them. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time if it determines that such a change would be in our best interest and the best interest of our stockholders.

Representatives of Deloitte & Touche are expected to be present at the annual meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to questions from our stockholders.

Fees

Deloitte & Touche’s aggregate fees billed to us for the fiscal years ended December 31, 2021 and 2020 are as follows:

	2021	2020
Audit Fees	\$ 1,017,500	\$ 975,000
Audit-Related Fees ⁽¹⁾	85,000	45,000
Tax Fees	—	—
All Other Fees	—	—
Total Fees	\$ 1,102,500	\$ 1,020,000

(1) These fees primarily relate to internal control attestation consultations, accounting consultations and other attestation services.

Pre-approval Policies and Procedures

Our Audit Committee has adopted a pre-approval policy requiring the Audit Committee to pre-approve all audit and permissible non-audit services to be performed by Deloitte & Touche. In determining whether or not to pre-approve services, the Audit Committee will consider whether the service is a permissible service under the rules and regulations promulgated by the SEC, and, if permissible, the potential effect of such services on the independence of Deloitte & Touche. All services performed for us in 2021 were pre-approved or ratified by our Audit Committee.

AUDIT COMMITTEE REPORT

To the Directors of Hines Global Income Trust, Inc.:

We have reviewed Hines Global Income Trust, Inc.'s audited financial statements as of and for the year ended December 31, 2021 and discussed them with management and the Company's independent registered public accounting firm.

We have discussed with the independent auditors the matters required to be discussed by the applicable standards of the Public Company Accounting Oversight Board ("PCAOB").

We have received and reviewed the written disclosures and the letter from the independent auditors required by applicable requirements of the PCAOB regarding the independent auditor's communications with the audit committee concerning independence, and have discussed with the auditors the auditors' independence. We have also considered whether the auditors' provision of non-audit services to Hines Global Income Trust, Inc. and its affiliates is compatible with the auditors' independence.

Based on the reviews and discussions referred to above, we recommended to the board of directors that the financial statements referred to above be included in Hines Global Income Trust, Inc.'s Annual Report on Form 10-K for the year ended December 31, 2021.
