Purchase Type

Speak with your financial professional before selecting the share class for your investment. For additional details on the difference between the share classes, please review the prospectus.

Please select the purchase type below (select only one):

Class T Shares:

Investors who purchase \$150,000 or more in Class T shares from the same broker-dealer, whether in a single purchase or as the result of multiple purchases, may be eligible for volume discounts on the upfront selling commissions. If you qualify for a volume discount as the result of multiple purchases of our Class T shares, you will receive the benefit of the applicable volume discount for the individual purchase which qualified you for the volume discount, but you will not be entitled to the benefit for prior purchases. An investor qualifying for a discount generally will pay the same total underwriting compensation on their investment as an investor that does not qualify for a discount; however, the investor qualifying for the discount will pay the distribution and stockholder servicing fees for a longer period of time than the investor that does not qualify for a discount. Please indicate below your investment amount for the appropriate volume discount to be applied.

Class I Shares: Net of Commission:

Registered representatives of the participating broker dealers or their affiliates and certain immediate family members (defined as spouses, minor children and parents) may be eligible to purchase net of commission as described in the prospectus. After review of the prospectus, I am eligible to purchase shares net of commission.

Please check this box if you are eligible for a Net Commission Purchase.

Distribution Election

Failure to check one of the two elections below will result in the subscription agreement being rejected and returned to the financial professional as incomplete.

Cash - Please check this box if you prefer to have distributions paid in cash to your Ameriprise Financial account. In the event the Company pays a special distribution in stock instead of cash, you will not have the option to receive cash for that distribution. Ameriprise account and Hines Global Income Trust account must be the same registration.

State-Specific Requirements

(g) If I am an **Alabama** resident, then in addition to meeting the suitability standards described in the Prospectus, I must have a liquid net worth of at least 10 times my investment in Hines Global Income Trust's Shares and our affiliated programs.

Initials	Initials

(h) If I am a **Kansas** resident, it is recommended by the Office of the Kansas Securities Commissioner that Kansas investors limit their aggregate investment in the securities of Hines Global Income Trust and other non-traded real estate investment trusts to not more than 10% of their liquid net worth. For these purposes, liquid net worth shall be defined as that portion of total net worth (total assets minus total liabilities) that is comprised of cash, cash equivalents and readily marketable securities.

(i) If I am a **Kentucky** resident, then in addition to meeting the suitability standards described in the Prospectus, I shall not invest more than 10% of my liquid net worth in Hines Global Income Trust's Shares or in shares of its affiliates' non-publicly traded real estate investment trusts.

(j) If I am a **New Jersey** resident, then in addition to meeting the suitability standards described in the Prospectus, I must have either (a) a minimum liquid net worth of at least \$100,000 and a minimum annual gross income of not less than \$85,000, or (b) a minimum liquid net worth of \$350,000. In addition, my investment in Hines Global Income Trust's Shares, its affiliates, and other non-publicly traded direct investment programs (including REITs, business development companies, oil and gas programs, equipment leasing programs and commodity pools, but excluding unregistered, federally and state exempt private offerings) may not exceed ten percent (10%) of my liquid net worth.

Initials	Initials

New Jersey investors are advised that the Class T and Class S shares will, with limited exceptions, be subject to upfront selling commissions and/or dealer manager fees of up to 3.50% of the gross offering proceeds, which reduce the amount of the purchase price that is available for investment and will cause the per share purchase price to be greater than the most recently determined NAV per share on the date of purchase. New Jersey investors are also advised that the Class T and Class S shares are subject to a distribution and stockholder servicing fee equal to up to 1.0% per annum of the aggregate NAV of the respective outstanding Class T or Class S shares, and the Class D shares are subject to a distribution and stockholder servicing fee equal to up to 0.25% per annum of the aggregate NAV of the outstanding Class D shares. These fees will reduce the amount of distributions that are paid with respect to Class T, Class S, and Class D shares.
