Please note that unless previously agreed to in writing by Hines Global Income Trust, all sales of any class of the Company's securities (the "Shares") must be made through a Broker-Dealer, including when an RIA has introduced the sale. In all cases, Section 6 must be completed. The RIA shall not execute any transaction involving the purchase of Shares in a discretionary account without prior written approval of the transactions by the investor; provided, that, if the RIA has been given a limited power of attorney to exercise discretionary authority with respect to investments by a client, the RIA shall be permitted to execute transactions with respect to such discretionary account at the discretion of Hines Securities, Inc. (the "Dealer Manager") and subject to the RIA's delivery to the Dealer Manager of all documents and other information requested by the Dealer Manager.

The RIA confirm(s), which confirmation is made on behalf of the RIA with respect to this subscription order, that it (i) has reasonable grounds to believe that the information and representations concerning the investor identified herein the "Investor" are true, correct and complete in all respects; (ii) has discussed such Investor's prospective purchase of Shares with such Investor; (iii) has advised such Investor of all pertinent facts with regard to the lack of liquidity and marketability of the Shares; (iv) has delivered or made available a current Prospectus and related supplements, if any, to such Investor; (v) has reasonable grounds to believe that the Investor is purchasing these Shares for his or her own account; and (vi) has reasonable grounds to believe that the purchase of Shares is a suitable Investment for such Investor, that such Investor meets the suitability standards applicable to such Investor set forth in the Prospectus and related supplements, if any, and that such Investor is in a financial position to enable such Investor to realize the benefits of such an investment and to suffer any loss that may occur with respect thereto.

The RIA is not authorized or permitted to give and represents that it has not given, any information or any representation concerning the Shares except as set forth in the Prospectus, and any additional sales material which has been approved in advance in writing by the Company (the "Authorized Sales Materials"). The RIA has delivered a copy of the Prospectus to the Investor prior to or simultaneously with the first solicitation of an offer to sell the Shares. The RIA did not send or give sales material, including Authorized Sales Materials, to the Investor unless it was preceded or accompanied by a Prospectus. The RIA represents that it has not shown or given to the Investor or reproduced any material or writing which was supplied to it by the Company, the Dealer Manager or their agents marked "broker-dealer use only" or "institutional use only" or otherwise bearing a legend denoting that it is not to be shared with or given to Investors.

The RIA represents that it is presently registered as an investment adviser under the Investment Advisers Act of 1940, as amended (the "Investment Advisers Act"), and has complied with registration or notice filing requirements of the appropriate regulatory agency of each state in which the RIA has clients, or is exempt from such registration requirements. The RIA represents that it is familiar with and in compliance with all applicable requirements, including those relating to the distribution of final prospectuses, imposed upon it under (a) the Securities Act of 1933, as amended (the "Securities Act"), the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the SEC promulgated under both such acts, (b) the Statement of Policy Regarding Real Estate Investment Trusts of the North American Securities Administrators Association (the "NASAA Guidelines"), (c) all applicable state securities laws and regulations as from time to time in effect, (d) any other state and federal laws and regulations applicable to the activities of the RIA, including without limitation the privacy standards and requirements of state and federal laws, including the Gramm-Leach-Bliley Act of 1999; and (e) this Subscription Agreement and the Prospectus. The RIA's signature above constitutes a representation to the Company and the Dealer Manager that the RIA is a properly registered or licensed RIA, duly authorized to perform the activities contemplated by this Subscription Agreement under federal and state securities laws and regulations and in the states in which such activities occur. The RIA agrees to comply with the record keeping requirements imposed by federal and state laws. The RIA has solicited purchasers of the Shares only in the jurisdictions in which the RIA has been advised by the Company that such solicitations can be made and in which the RIA is qualified to so act.

The RIA represents further that it or an SEC-registered broker-dealer engaged by the RIA has conducted all necessary due diligence and "know your customer" checks on the Investor in order to comply with any and all applicable laws, rules, and regulations including, but not limited to, the USA Patriot Act of 2001, the Bank Secrecy Act, regulations or orders issued by the Office of Foreign Asset Control at the Department of the Treasury ("OFAC"), and any other applicable anti-money laundering ("AML") laws, rules, or regulations.

6 REGISTERED INVESTMENT ADVISER INFORMATION *(continued)*

Without limiting the foregoing, the RIA agrees that, with respect to any subscription order submitted for the purchase of Shares, the RIA, or an SEC-registered broker-dealer engaged by the RIA to perform the following services on behalf of the RIA as the RIA's agent: (i) has implemented an AML program consistent with the requirements of 31 U.S.C. 5318(h) and will update such AML program as necessary to implement changes in applicable laws and guidance; (ii) has established and will perform the specified requirements for a customer identification program ("CIP") consistent with the requirements of C.F.R. § 1023.220, in a manner consistent with Section 326 of the USA Patriot Act of 2001; (iii) shall promptly disclose to the Dealer Manager potentially suspicious or unusual activity detected as part of its CIP procedures in order to enable the Dealer Manager to file a suspicious activity report, as appropriate based on the Dealer Manager's judgment; (iv) upon the request of the Dealer Manager, shall certify annually to the Dealer Manager that the representations contained in this paragraph of this subscription agreement remain accurate and that the RIA or its agent is in compliance with such representations; and (v) shall promptly provide its books and records relating to its performance of CIP procedures to the SEC, the Financial Industry Regulatory Authority ("FINRA"), and authorized law enforcement agencies, either directly or through the Dealer Manager, at the request of the Dealer Manager, FINRA, or an authorized law enforcement agency.

The RIA represents that the Investor meets the suitability standards set forth in the Prospectus or in any suitability letter or memorandum sent to it by the Company or the Dealer Manager.

In offering the Shares, the RIA has made every reasonable effort to determine the purchase of the Shares is a suitable and appropriate investment for the Investor and has complied with the requirements imposed upon it by the Prospectus, the Securities Act, the Exchange Act, and all applicable Blue Sky laws, as well as all other applicable rules and regulations relating to suitability of investors and prospectus delivery requirements, including without limitation, the provisions of Article III.C. and Article III.E.1. of the NASAA Guidelines. Nothing contained in this Subscription Agreement shall be construed to impose upon the Company or the Dealer Manager the responsibility of assuring that the Investor meets the suitability standards set forth in the Prospectus, or to relieve the RIA from the responsibility of assuring that the Investor meets the suitability standards in accordance with the terms and provisions of the Prospectus. The RIA shall only sell Class I Shares and Class D Shares to those persons who are eligible to purchase such classes of Shares as described in the Prospectus.

The RIA has ensured that, in recommending the purchase, sale or exchange of Shares to the Investor, the RIA has reasonable grounds to believe, on the basis of information it has obtained from the Investor concerning the Investor's age, investment objectives, investment experience, income, net worth, other investments, financial situation and needs, and any other information known to the RIA that (a) the Investor is in a financial position appropriate to enable him to benefit from an investment in the Shares based upon the Investor's investment objectives and overall portfolio structure; (b) the Investor has a fair market net worth sufficient to bear the economic risk inherent in an investment in Shares in the amount proposed, including loss, and lack of liquidity of such investment; (c) the Investor has an apparent understanding of the fundamental risks of an investment in Shares, the lack of liquidity of the Shares, the background and qualifications of the Company's sponsor, advisor and their affiliates, and the tax consequences of an investment in the Shares; and (d) an investment in Shares is otherwise suitable for the Investor. The RIA agrees to retain the records containing the information and documents used in the RIA's determination that an investment in the Shares is suitable and appropriate for the Investor for a period of at least six years from the date of this Subscription Agreement and to make such records available to (a) the Dealer Manager and the Company upon request, and (b) to representatives of the SEC, any self-regulatory organization and state securities administrators upon the RIA's receipt of an appropriate request for documents from any such agency or organization. The RIA has not purchased any Shares for a discretionary account without obtaining the prior written approval of the RIA's Customer and his or her signature on this Subscription Agreement. The RIA agrees that the RIA shall comply with all of the requirements and hereby makes all of the representations, warranties and covenants set forth in Annex A to this Subscription Agreement if the RIA has adopted or adopts a process whereby certain transactions may be authorized by the RIA's clients via "Electronic Signature" and/or if the RIA intends to use electronic delivery to distribute the Prospectus or other offering documents.

Each RIA, by its execution of this Subscription Agreement, agrees to severally indemnify and hold harmless the Company, the Dealer Manager and each of their respective officers and directors (including any persons named in the Registration Statement for the Company's offering (the "Registration Statement"), with his or her consent, as about to become a director), each person who has signed the Registration Statement and each person, if any, who controls the Company or the Dealer Manager within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any losses, claims, damages or liabilities, joint or several, to which the Company, the Dealer Manager, any such director or officer, or controlling person may become subject, under the Securities Act or the Exchange Act or otherwise, insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof) arise out of or are based upon (a) any use of sales literature not authorized or approved by the Company or use of "broker-dealer use only" or "institutional use only" materials with members of the public or unauthorized verbal representations concerning the Shares by the RIA or the RIA's representatives or agents, or (b) any untrue statement or alleged untrue statement made by the RIA or its representatives or agents or omission or alleged omission to state a fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading in connection with the offer and sale of the Shares, or (c) any material breach of the representations, warranties, covenants or agreements made by the RIA in this Subscription Agreement, or (d) any failure to comply with applicable laws governing money laundry abatement and anti-terrorist financing efforts, the rules and regulations of the SEC and the USA PATRIOT Act of 2001. The RIA will reimburse the aforesaid parties for any reasonable legal or other reasonable expenses incurred by them in connection with investigating or defending such loss, claim, damage, liability or action; provided that the RIA shall not be liable in any such case if it is determined in a legal proceeding that the Company and the Dealer Manager were at fault in connection with such loss, claim, damage, liability or action. This indemnity agreement will be in addition to any liability which the RIA may otherwise have.

III. **Electronic Signature Use Rules Of Engagement.** In consideration of the Company allowing the RIA and the RIA’s clients to authorize certain account-related transactions and/or requests, in whole or in part, by Electronic Signature, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the RIA does hereby, for itself and its successors and permitted assigns, covenant and agree that:

- a. The RIA has selected an appropriate electronic signature technology that: (i) adheres to applicable Electronic Signature Law; (ii) provides a visible indication that an Electronic Signature was affixed to the relevant document and displays the date on which such Electronic Signature was affixed thereto; (iii) employs an authentication process to establish signer’s identity and authority to sign (the “Authentication Process”); (iv) prevents the Electronic Signature from repudiation; (v) protects the signed record from undetected and unauthorized alteration after signing; (vi) requires the signer to scroll to the bottom of each page of any document to be signed before advancing to the next page; (vii) requires the signer to separately sign or initial each representation made in the subscription agreement; and (viii) utilizes a password protected interface to provide client access to documents to be signed electronically or which have previously been signed electronically. The Authentication Process shall comply with the Customer Identification Program requirements of the USA PATRIOT Act.
- b. The RIA shall advise clients that (i) participation in the Electronic Signature program is optional and that participation in the Electronic Signature program is not a condition for participation in any investment; (ii) investors must expressly opt—in to the Electronic Signature program to participate; (iii) any investor that fails to make an election for participation in the Electronic Signature program will execute paper subscription documents; (iv) investors may terminate their participation in the Electronic Signature program at any time; (v) investors that elect to participate in the Electronic Signature program will have the ability to elect to receive the Prospectus and other materials electronically or in paper form; (vi) the same investment opportunities will be available to the investor, regardless of whether the investor participates in the Electronic Signature program; (vii) the use of Electronic Signatures will not affect the RIA’s obligation to make the suitability determinations that are required pursuant to the Prospectus and the Subscription Agreement of which this Annex A is a part; and (viii) the RIA maintains and shall comply with written policies and procedures covering its use of Electronic Signatures.
- c. The RIA or its designee shall maintain a copy (the “Record”) of each Electronic Signature used to execute a transaction and/or request for the life of the account and for the time period required by applicable Electronic Signature Law, the NASAA Guidelines, and state and federal laws, rules and regulations after the account is closed. The RIA shall provide such Record to the Company and/or the Dealer Manager upon reasonable request. Supporting documentation for the use of any Electronic Signature shall be maintained by the RIA and available to the Company and/or the Dealer Manager upon request. The RIA shall maintain all Records in accordance with applicable recordkeeping obligations under state and federal securities laws, rules and regulations, all applicable state laws, rules and regulations and all guidance issued by NASAA.
- d. Electronic Signature may only be used to the extent permitted by the Company.
- e. The consent of the RIA’s client as investor shall be obtained for the use of Electronic Signature prior to delivery of any Electronic Signature to the Dealer Manager, the Company or the Company’s transfer agent. For each transaction and/or request submitted, the signer must be informed that an Electronic Signature is being created. If a party must sign or initial a single document in more than one place, a separate signature or expression of intent to sign shall be obtained for each location where a signature is required. If multiple documents are to be signed, a separate signature or expression of intent to sign shall be obtained for each document.

f. The RIA does hereby, for itself and its successors and permitted assigns, covenant and agree to indemnify and hold harmless the Company, the Dealer Manager and each of their respective officers and directors (including any persons named in the Registration Statement with his consent, as about to become a director), each person who has signed the Registration Statement and each person, if any, who controls the Company or the Dealer Manager within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any losses, claims, damages, liabilities and expenses to which the Company, the Dealer Manager, any such director or officer, or controlling person may become subject, under the Securities Act or the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon a breach of the RIA's representations or covenants set forth in Sections I and II above or the representations set forth in this paragraph. The RIA represents that it will comply with all applicable terms of Electronic Signature Law as outlined in this Annex A. The RIA represents that the Company may accept any Electronic Signature without any responsibility to verify or authenticate that it is the signature of the RIA's customer, given with such customer's prior authorization and consent. The RIA represents that the Company may act in accordance with the instructions authorized by Electronic Signature without any responsibility to verify that the RIA's customer intended to give the Electronic Signature for the purpose of authorizing the instruction, transaction or request and that the RIA's customer received all disclosures required by applicable Electronic Signature Law. The RIA agrees to provide a copy of each Electronic Signature and further evidence supporting any Electronic Signature upon request by the Company. This indemnity agreement will be in addition to the indemnification obligations of the RIA pursuant to the Dealer Manager Agreement and any other liability which the RIA may otherwise have.

g. The RIA acknowledges that, to the extent the RIA is deemed to be acting as an agent of the Company due to the RIA's activities in connection with Section XVII of the Agreement and this Exhibit A, the RIA is acting as an agent of the Company only with respect to the delivery of the Prospectus and Supplemental Information electronically, the administration of the subscription process and the obtainment of electronic signatures, and only to the extent the RIA's actions are in compliance with these Electronic Signature Use Rules of Engagement and this Agreement.

If Electronic Signature credentials may be used multiple times, the RIA shall use a procedure to identify and de-activate expired, withdrawn or compromised signer credentials. The RIA shall establish procedures for removing Electronic Signature credentials when an investor no longer wishes to participate in the use of Electronic Signature.
