August 2015 Distributions

The board of directors of Hines Global REIT II, Inc. (the “Company”) has authorized the Company to declare distributions with respect to Class T shares of the Company’s common stock (the “Class T Shares”), commencing with August 24, 2015 and ending on August 31, 2015 (the “August Class T Share Distribution Period”). These distributions will be calculated based on stockholders of record of Class T Shares each day for the August Class T Share Distribution Period in an amount per share, per day equal to \$0.001575342 less the distribution and stockholder servicing fees that are payable with respect to such Class T Shares (as calculated on a daily basis). These distributions will be paid in cash or reinvested in Class T Shares for those participating in the Company’s distribution reinvestment plan and will be paid or issued, respectively, on September 1, 2015.

The Company also previously announced distributions for the month of August 2015 with respect to Class A shares of the Company’s common stock (the “Class A Shares”). These distributions will be calculated based on stockholders of record each day for the month of August 2015 in an amount equal to \$0.001575342 per share, per day. These distributions will be paid in cash or reinvested in Class A Shares for those participating in the Company’s distribution reinvestment plan and will be paid or issued, respectively, on September 1, 2015. Some or all of the distributions may be paid from sources other than cash flows from operations.

Statements in this Current Report on Form 8-K, including intentions, beliefs, expectations or projections relating to the timing and payment of distributions, are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such statements are based on current expectations and assumptions with respect to, among other things, future economic, competitive and market conditions and future business decisions that may prove incorrect or inaccurate. Important factors that could cause actual results to differ materially from those in the forward-looking statements include the risks described in the “Risk Factors” section of the Company’s Annual Report on Form 10-K for the year ended December 31, 2014, and its other filings with the Securities and Exchange Commission.
