11 TRANSFEREE HEREBY REPRESENTS AND WARRANTIES TO THE COMPANY AS FOLLOWS:

(NOTE: Throughout this form, references to the "Company" and the "REIT" shall mean Hines Real Estate Investment Trust, Inc., HGR Liquidating Trust (Hines Global REIT), Inc. and/or Hines Global Income Trust, Inc. depending on the account(s) indicated in Section 1 above.)

1. Transferee has received a copy of the Company's Prospectus as amended and supplemented through the date hereof (the "Prospectus"), and hereby acknowledges that the Company's annual reports on Form 10-K and quarterly reports on Form 10-Q are available at www.sec.gov.
2. Transferee is acquiring the Shares for his own account or for the account or benefit of a member or members of his immediate family or in a fiduciary capacity for the account of another entity and not otherwise as an agent for another.
3. Transferee has (a) a net worth (exclusive of home, home furnishings and automobiles) of \$250,000 or more; or (b) a net worth (as described above) of at least \$70,000 and a minimum of \$70,000 annual gross income; or (c) that Transferee meets the higher suitability requirements imposed by the state of Transferee's primary residence if any higher requirements are set forth in the Prospectus under "SUITABILITY STANDARDS".

Transferee either meets the applicable suitability standards directly, is acquiring the Shares in a fiduciary capacity for an entity meeting such standards, or is purchasing the Shares with funds directly or indirectly supplied by a donor who meets such standards and is the fiduciary.
4. Transferee understands that the assignability and transferability of the Shares will be governed by the Articles of Incorporation of the Company, as the same may be amended and/or restated, and all applicable laws as described in the Prospectus, and Transferee has adequate means of providing for Transferee's current needs and personal contingencies and has no need for liquidity in this investment.
5. Transferee has not acquired the Shares in violation of the Company's transfer restrictions that prevent a transferee from acquiring any Shares that would cause the transferee to own, directly or indirectly, either: (a) in excess of 9.9% of the Company's outstanding common stock; or (b) a number of Shares that would cause 50% or more of the Company's outstanding common stock to be held by five or fewer persons.
6. Transferee understands that the Shares are subject to transfer restrictions that prevent any future transferee from acquiring any Shares that would cause such future transferee to own, directly or indirectly, either: (a) in excess of 9.9% of the Company's outstanding common stock; or (b) a number of Shares that would cause 50% or more of the Company's outstanding common stock to be held by five or fewer persons.
7. Transferor and Transferee acknowledge and understand that (a) without prior approval of the Company, no transfer or assignment may be made of a fractional Share and no transfer or assignment may be made if, as a result of such transfer, the Transferor (other than one transferring all of his Shares) or the Transferee will own fewer than \$2,500 of Shares unless such transfer is made on behalf of a plan, or such transfer is made by gift, inheritance, intra-family transfer or family dissolution; (b) if the Transferee is a California resident, Transferee may not consummate a sale or transfer of his Shares, or any interest therein, or receive any consideration therefore, without the prior written consent of the Commissioner of Corporations of the State of California, except as permitted in the Commissioner's Rules, and Transferee understands that his Shares, or any document evidencing his Shares, will bear a legend reflecting the substance of the foregoing understanding; and (c) if Transferee's acquisition of Shares would cause Transferee's total investment in the Company to exceed 5% of the total outstanding Shares of the Company, Transferee will be required to make certain filings with the Securities and Exchange Commission pursuant to Section 13(d) of the Securities Exchange Act of 1934 (the "Exchange Act").
8. Transferee has reached the age of majority in his state of residence and is experienced in real estate investment and business matters.
9. Transferee acknowledges that there is no current public trading market for the Shares and, accordingly, that this investment in the Shares is not liquid.
10. Transferee acknowledges that unless Transferee is purchasing the Shares from the Company or is receiving the Shares through a non-cash transaction, not in the secondary market, Transferee will not be eligible to have the Shares being transferred and assigned hereunder redeemed by the Company pursuant to its share redemption program or otherwise.
11. If Transferee is acting in a representative capacity for a corporation, partnership, trust or other entity, Transferee has full authority to execute this Transfer and Assignment in such capacity.
12. If Transferee is acquiring the Shares transferred hereby in a fiduciary capacity, the representations and warranties shall be deemed to have been made on behalf of the person or persons for whom Transferee is so acquiring.
13. Transferor hereby constitutes and appoints DST Systems Inc. as Transferor's attorney in fact to transfer the said Shares on the books of the Company to Transferee with full power of substitution. The foregoing grant of authority (a) is a special power of attorney and coupled with an interest, and (b) is irrevocable and shall survive Transferee's death, dissolution or disability.
14. Transferee understands the meaning and legal consequences of the representations and warranties set forth above, and Transferee agrees to indemnify and hold harmless the Company from and against any and all loss, damage, claim, expense or liability (including, without limitation, court costs and attorneys fees and expenses) due to, or arising out of, a breach of representation or warranty of Transferee contained in this Transfer and Assignment. Notwithstanding any of the representations, warranties, acknowledgments or agreements made herein by Transferee, Transferee does not thereby or in any other manner waive any rights granted to him under federal or state securities law.
15. In the case of acquisitions of Shares by fiduciary accounts (except in California), the above representations and warranties shall be deemed to have been made by the fiduciary account or, in the case of purchases of Shares by fiduciary accounts by the person who directly or indirectly supplies the funds if such person is the fiduciary. In the case of acquisitions of Shares by fiduciary accounts in California, the above representations and warranties shall be deemed to have been made by the beneficiary of the account or, in those instances where the Shares are purchased and the fiduciary directly or indirectly supplies the funds, by the fiduciary. In the case of gifts to minors, the suitability standards must be met by the custodian of the account or the donor.
